

Dear Parent/Guardian:

The Edgar B. Davis Community School is a Kindergarten through Grade 8 organization. The energetic and innovative staff and administration team are committed to excellence.

K—8 schools not only strengthen the connection between home and school, but also establishes a consistency in each grade for academic achievement for all learners.

Social-Emotional Learning (SEL) is the major approach for all teaching at the Davis and sits as the foundation for all instruction and activities for all students. **MINDSET** drives staff and students creating the perfect environment for every student's success.

Please be assured that the entire staff is committed to working with parents and guardians so that together we ensure a positive, nurturing environment for each child. Be confident that your children are safe and secure. In partnership with you, we can help all children realize their potential, while becoming confident and caring individuals.

Please feel free to visit or call at any time. I look forward to working with you.
