More information will be shared at the school committee retreat.

The Superintendent scored very well, proficient, with an overall rating of 3.19 and that rating will be given to Human Resources to implement the equivalent increase. The committee went through the entire evaluation and, overall, the Superintendent received a very good report. It is obvious that Superintendent Smith is dedicated, she puts in numerous hours and leads by example, and her commitment to the city is apparent with 40 years of service in the district. He thanked the custodians for stepping up and keeping our children safe. The memorandum of agreement provides a modest stipend of $457 for custodians to take on this extra duty; Mr. Minichiello said that Mr. Thomas has made sure that everyone has received proper training.
