

Brockton Public Schools School Committee Policy

RELATIONS WITH BOOSTER ORGANIZATIONS

The School Committee recognizes that the endeavors and objectives of booster organizations can be a valuable means of stimulating interest in and endorsement of the aims and achievements of our public school system, provides the atmosphere and climate to foster and encourage community-school relationships.

Booster-proposed plans, projects, or activities must be approved in light of their stated contribution to the academic as well as the athletic and fine arts programs of the Brockton Public Schools to avoid compromising or diluting the responsibilities and authorities of the School Committee.
