

Brockton Public Schools School Committee Policy

SECURITY (Locker, Training, Shower Room)

Responsibility

1. Discipline in said rooms is the sole responsibility of the coach in charge.
2. The coach is responsible for cleanliness of said areas. A custodian will sweep locker room and shower room clean, at the end of each day following practices and games.
3. It is the coach's responsibility to see that the lights are put out and the windows are closed and locked in any of the athletic areas that they are employed.
4. Coaches should not assume that another coach, who happens to be in the building, would be responsible for doing their job.
5. Coaches are responsible for locking up the school or field house at the days end. The coach, not manager shall be the last person to leave the locker room area. This responsibility belongs to coaches that practice and are housed in their own areas.

Restricted Areas

1. The equipment room is restricted to coaches only and equipment manager.
2. Squad members will use the training room only when the coach is present. (Whirlpool)
3. The gym floor is off limits to anybody with shoes on. This is the responsibility of all coaches.
4. The coach's office is off limits to squad members unless by invitation of the coach.
5. The coach's office is the responsibility of the coaches in season.
