About the Statewide Applicant Fingerprint Identification Services (SAFIS) Program

Massachusetts law now authorizes fingerprint-based criminal history record checks for all public and private school employees and transportation providers, and for designated volunteers and employees of school vendors. The Massachusetts Department of Elementary and Secondary Education (ESE) and the Department of Early Education and Care (EEC), the Executive Office of Public Safety and Security (EOPSS) has partnered with MorphoTrust USA to implement the Statewide Applicant Fingerprint Identification Services (SAFIS) Program and is working to provide convenient applicant fingerprinting enrollment centers throughout the Commonwealth of Massachusetts. **NOTE:** This Registration Guide is intended to provide guidance to individuals who are employed or seek employment in Pre-K-12 public and private schools in the Commonwealth. If you work for a Pre-K program run by a public or private K-12 school, follow these instructions. If you work for a standalone private early education program, please consult the registration instructions for Early Education and Care (EEC) entities.

**Pre-K-12th Grade Education (ESE) Applicant Types**
The following sub-sections provide additional information concerning the various
applicant types that fall under the Massachusetts Department of Elementary and
Secondary Education (ESE).

**Licensed Educator**
The fee charged will be $55 for educators licensed by the Commissioner of Elementary
and Secondary Education.

**Other School Personnel**
The fee charged will be $35 for all other school personnel (i.e., school secretaries,
cafeteria workers, custodians, bus drivers, etc.) and designated volunteers and vendor
employees.

**Multiple Provider IDs**
There may be instances in which an ESE applicant is seeking employment at multiple
schools or districts and has been instructed to undergo a fingerprint-based criminal
background check conducted for each employer. Furthermore, there may be instances
where an ESE applicant is currently employed at more than one school or district. As
part of the fingerprint registration process, up to ten (10) Provider ID’s may be
submitted. The fingerprint-based criminal background check results will be disseminated
to each of the schools identified at during the registration process.

**EEC and ESE Employment**
There may be instances in which an applicant is either employed or seeking
employment with an ESE organization and a Massachusetts Department of Early
Education and Care (EEC) organization. Federal rules and regulations prohibit EEC and ESE from sharing/disseminating an individual's criminal history record information (CHRI). In order to be compliant with the new law, an individual who works for both EEC and ESE organizations will have to submit, and pay for, two separate fingerprint-based criminal record checks. If back-to-back appointments are unavailable, please select an appointment time that is as close to the first appointment as can be obtained. An applicant will be fingerprinted for both submissions at the same time, and will not be made to wait for the later time.

**Out of State Applicants**

There may be instances in which an applicant does not reside in the Commonwealth of Massachusetts and his/her work does not require travel to the Commonwealth of Massachusetts.

Applicants who meet the above criteria may use MorphoTrust’s Card Scan Processing Program. This program utilizes advanced scanning technology to convert a traditional fingerprint card (hard card) into an electronic fingerprint record. Converting a “hard card” into an electronic record enables an applicant to have his/her fingerprint record processed as quickly as if he/she had traveled to an electronic fingerprint processing location. The section below details the procedures for submitting fingerprints to the Card Scan Processing Unit.

- Applicants must go online to the MorphoTrust USA IndentGo™ registration website [http://www.identogo.com/FP/Massachusetts.aspx](http://www.identogo.com/FP/Massachusetts.aspx) or call the MorphoTrust Massachusetts Customer Service Center toll free at (866) 349-8130 and complete the registration process.

- If using the online registration process, you must select “Pay for Ink Card Submission” on the Appointment Details page. This will identify to MorphoTrust that a hard card will be mailed to them for conversion to an electronic fingerprint record which will then be submitted to the Massachusetts State Police (MSP) and to the Federal Bureau of Investigation (FBI). Please note the fee charged for out of state applicants is $55 for educators licensed by the Commissioner of Elementary and Secondary Education and $35 for all other school personnel.
You must complete the entire registration process. All information entered during the registration process will be submitted to the Massachusetts State Police as part of the fingerprint transmission. Any data discrepancies or errors found during this process may result in additional submissions, at the expense of applicant.

A confirmation number (Registration ID) will be supplied at the end of the registration process. You should retain this number for tracking purposes. This confirmation number must be recorded on the fingerprint card when it is submitted to MorphoTrust for proper processing.

You must complete payment during the registration process via the online e-Payment portal. Options include debit and credit card as well as e-Check. (Applicant cards with unpaid or declined payments will not be processed and cards will be returned to the applicant.) A payment reference number will be supplied during the registration process. You should retain this number for tracking purposes.

Once the application process has been completed, the Massachusetts Department of Criminal Justice Information Services (DCJIS) will mail you a package which will include a Massachusetts Applicant Fingerprint Card (Form 1-
9) and a Fingerprint Certification Form. *MorphoTrust does not provide fingerprint cards to applicants.*

- You must obtain a set of fingerprints from a local law enforcement agency. These fingerprint cards may be either traditional ink rolled fingerprints or electronically captured and printed fingerprint cards. In addition to the fingerprint card, the Fingerprint Certification Form must also be completed by the local law enforcement agency.

- You need to make sure the fingerprint card is complete prior to the submission to MorphoTrust. Required information includes: **Full name, date of birth, date and signature of person fingerprinted, date and signature of person taking the fingerprints, and the confirmation number provided at the end of the registration process.**

- The Massachusetts Fingerprint Card and the Fingerprint Certification Form, along with Registration ID and payment reference number, must then be sent to the following address (for tracking and security reasons, it is recommended that a shipping service with package tracking capabilities be utilized):

  ```
  IdentoGo™ by MorphoTrust
  MA SAFIS Cardscan
  1650 Wabash Ave Suite D
  Springfield, IL 62704
  ```

- Please include at least two (2) means of contact with your fingerprint card submission (for example, a daytime and evening telephone number or a cell phone number and email address).

- If you want to verify that your fingerprint card has been processed, you may call the MorphoTrust Massachusetts Customer Service Center at (866) 349-8130 and speak with a customer service representative. Please allow at least 3 days from date of mailing before contacting MorphoTrust regarding processing status.

**Failure to complete the process as stated on these instructions will result in the card being returned to you, which will delay the process.**
