FSA ID Checklist

- Legal Name** (As it appears on your social security card). Note: Your full last name may appear on a different line.
- Social Security Number & Date of Birth**
- Current Email Address with password.** If you do not have one, create a Gmail or Outlook.com email before your first visit.

Need help getting started with the financial aid process to complete your FAFSA? Here are the steps:

1. Complete the checklist above
2. Attend a workshop and get your FSA ID setup. Then leave with the directions for your parent to create their own FSA ID.
3. Take a Brockton Educational Talent Search application and sign up for a workshop to complete your FAFSA.

List the colleges you have applied to attend:

Note: Only the individual using the FSA ID should create it. If you are a dependent student, make sure your parent(s) create one in advance at fsaid.ed.gov or fafsa.ed.gov. If you are a parent and are filling the FAFSA for a dependent student, please have your child create one in advance at fsaid.ed.gov or fafsa.ed.gov. The FSA ID will consist of a username and password.
