

Dear Parents and Families,

The George School has everything to offer - the latest technology, large classrooms and all the amenities of a 21st century school. The staff at our school consists of very experienced, dedicated and enthusiastic professionals. Together, we look forward to building positive relationships with everyone in our school community and continuing the district's mission of instructional excellence for every student, every day.

We are excited to begin our transition year with our new school uniforms or "spirit wear" this school year. Uniforms are highly encouraged, but not mandatory. Our uniform is any khaki bottom such as pants, shorts, skirts or scooters; and a navy blue long or short sleeve polo shirt. These clothing items can be purchased at any store. If you would like to purchase clothing items through our on-line store, please visit:

<https://georgeelementary.itemorder.com/sale>.

For more information on school uniforms, supply lists and other important information, please visit our website at:

<http://www.brocktonpublicschools.com/schools/elementary-schools/george>.

You can also follow us on Facebook, Instagram and Twitter @georgejaguars to stay connected with all that is happening in our school community.

At the George School, we recognize parents as their child's first teacher. With this in mind, we invite you to partner with us and be a participant in your child's education. We have an active PTA and offer many parent-child activities throughout the year. We welcome you to become involved and share a love of learning with your child. Our PTA website is <http://georgeschoolpta.org>.

Once again, we welcome you and your children to an exciting and rewarding year!

Sincerely,
Natalie L. Pohl
Principal

OUR VISION

To provide instructional excellence for every student, every day, and to value our diversity in order for each student to be a contributing member in a global community.

OUR MISSION

To educate the whole child in a welcoming, safe and supportive environment where students are engaged in learning and challenged to reach their greatest potential for academic, social, emotional and physical growth.
