

Making a Water Cycle Bracelet

Materials needed:

- A. Beads of seven (7) different colors: White
 Light Blue
 Brown
 Blue
 Green
 Yellow
 Clear

B. Lengths of cord or elastic string

Directions:

1. White bead – cloud
2. Light blue bead – rain
3. Brown bead – ground (accumulation)
4. Blue bead – water in lake, river & ocean (surface runoff)
5. Green bead – plants (transpiration)
6. Yellow bead – sun (source of energy that keeps cycle moving)
7. Clear bead

Continue in the same order as above to finish bracelet.
